FRONT

INSIDE PAGES

The image shows two recycling symbols side-by-side. The left symbol is a triangle with a recycling symbol inside, and the text below it reads: "CORRECT DISPOSAL OF PRODUCT" and "Correct disposal of the electronic equipment". Below this, it says: "This marking on the product or its literature indicates the product should not be disposed of with other household waste at the end of its serviceable life." The right symbol is a triangle with a recycling symbol inside, and the text below it reads: "CORRECT RECYCLING OF PRODUCT" and "Correct recycling of the electronic equipment". Below this, it says: "The marking on the product or its packaging indicates that the product should not be disposed of with other household waste but recycled in accordance with the applicable legislation." Both symbols have a small 'X' in the top left corner of the triangle.
